CONTENTS

No. 1

PAGE

Activity of Antidiuretic Hormone and Phosphate Metabolism in Rat Kidney—*D. K. Veeranarayana Gowda* 1

Prediction of Fortnightly Rainfall for the Crop-Growing Season in Hebbal Region—*P. C. Sridharan and S. Ramachandra* 8

Vitamin Requirements of Four Isolates of *Colletotrichum lindemuthianum*—*R. K. Hegde and R. L. Munjal* .. 14

Survival of Groundnut *Rhizobium* in Indian Soils—*S. D. Pant and V. Iswaran* 19

Rhizosphere Microflora of Tomato as Influenced by Foliar Nutrient Sprays in the Presence and Absence of a Root Pathogen—*J. V. D. K. Kumar Rao and G. Rangaswami* .. 26

Preliminary Studies on the Problem of Fruit-set in *Annona reticulata* L. I. Floral Biology—*A. A. Farooqi, S. R. Parvatikar and U. G. Nalawadi* 44

A Study of Available Manganese Status in Some Soils of Mysore State—*M. K. Badiger, M. S. Mithyantha and N. G. Perur* 54

Laboratory Studies on the Effect of Soil Amendments on Aggregation and Other Physical Properties in Selected Soils of Mysore State—*T. G. Bhadrapur, T. Seshagiri Rao and K. R. Kulkarni* 61

Studies on Some Soil Toxins and Their Effect on Ragi (*Eleusine coracana* Gaertn.)—*N. T. Lillaram* .. 69

The Nature and Pedochemical Characteristics of Red and Black Soils of Transition Tract of Mysore State—*S. V. Kulkarni and P. B. Deshpande* 76

Response of Rice Varieties to Pre-sowing Hardening—*Y. S. Veeraraj Urs, K. M. Appaiah and K. S. K. Sastry* 83

Studies on *Rhizobium* Treatment and Phosphate Application to Soyabean and Their Residual Effect on Cereals—*C. P. Katti, K. Krishnamurthy, R. B. Patil and G. Rangaswami* .. 88

PAGE

Research Notes

Mathematical Model for Changes in the Soil Organic Matter—*P. C. Sridharan* 97

A Note on the Relationship Between Yield and Yield Components in Paddy (*Oryza sativa* L.)—*T. Swamy Rao* .. 101

Contributions to the Study of Root Exudates of Sylvicultural Trees with Special Reference to *Santalum album* and Its Host Plants—*R. A. Srimathi and M. Sreenivasaya* 103

Effect of Temperature on Survival of *Rhizobium japonicum* in Soil and Peat—*V. Iswaran, W. V. B. Sundara Rao, K. S. Jauhri and S. P. Magu* 105

Effect of Urea Spray on Growth, Yield and Quality of Tomato (*Lycopersicon esculentum* Mill.)—*A. N. Varma, D. C. Srivastava and R. K. Sharma* 107

Urease Activity of the Soils of M.R.S., Hebbal—*R. Ananthanarayana and M. S. Mithyantha* 109

Effect of Atrazine on the Rate of Nitrification in Black Clay Loam Soil—*R. A. Setty, V. C. Baligar and S. V. Patil* .. 111

Iron-Manganese Relationship in Some Soil Profiles of Bangalore District—*M. S. Mithyantha and N. G. Perur* .. 113

Preliminary Studies on the Performance and Yield Components of Soybean Varieties—*C. P. Katti, K. Krishnamurthy and O. H. Long* 116

Electrophoretic Pattern of the Haemoglobin in Indian Elephants—*T. R. S. Rangachar, R. Narendranath and V. Ravivarma Hegde* 120

Effect of Propionic Acid Treatment on the Seedcoat Microflora and Germination of Rice and Ragi Seeds—*A. Balasubramanian and Kunthala Jayaraman* 122

Book Review : Population and Food Supply: Essays on Human Needs and Agricultural Prospects—*B. V. Venkata Rao* .. 126

No. 2

Incidence of Brucellosis in and around Bangalore City—*A. S. Upadhye, S. Krishna Swamy, R. D. Nanjiah and K. Dayalu* .. 129

Male Reproductive Organs and Mode of Pairing of the Poultry Biting Louse *Lipeurus tropicalis* (Peters)—*N. S. Krishna Rao and C. A. Khuddus* 134

PAGE

Preliminary Study of the Phenotypic Biometry of Bannur Sheep of Mysore State—*P. M. Rahamathulla* 139

Cholesterol Content in Eggs of Chicken and Duck—*T. R. S. Rangachar, S. V. S. Setty and V. Ravivarma Hegde* 146

Isolation of *Listeria monocytogenes* from the Normal Uterus of a Sow—*Syed Zaki and S. L. Manjrekar* 152

The Species of Coccidia Parasitic in the Fowl and Pigeon in Madras—*S. Abdul Rahman and M. Anantaraman* 157

Studies on Granular Insecticides for Control of Rice Insects in India—*J. H. Lilly, J. C. Samuel, S. V. R. Shetty and H. P. Prabhuswamy* 163

Influence of Crop Rotation Under Rainfed Conditions on Soil Aggregation—*V. S. Gidnavar, K. Krishnamurthy and S. V. Patil* 179

Effects of Seeding Depth and Moisture Regime on Rice Seedling Emergence—*T. Satyanarayana and S. C. Shivamurthy* .. 183

Estimation of Functional Groups in Humic Acid of a Malnad Soil of Mysore State—*T. Rudrappa* 187

Phenotypic Variability and Pattern of Character Association in Safflower (*Carthamus tinctorius* L.) *C. Kempanna and K. G. Hiremath* 192

Effect of Different Osmotic Pressures on the Germination of Five Ragi Varieties—*T. Seshagiri Rao, H. P. Achar and A. S. Hadimani* 200

Research Notes

A Note on the Varietal Response of *Gossypium hirsutum* L. to Fertilizer and Plant Population Levels—*B. H. Katarki, Gururaj Hunsigi, N. S. Parameshwar and N. K. S. Prasad* .. 205

Response of Groundnut to Major and Minor Elements in Red Sandy Soil of Badami—*Y. H. Yadahalli, G. D. Radder and S. V. Patil* 208

A Preliminary Study on the Influence of Balanced Ionic Environment on Germination Under Saline Conditions—*M. K. Badiger, H. M. Manjunathaiah and B. V. Venkata Rao* .. 210

Investigations on Grain Yield and Related Characters of Some *Tur* Varieties—*Dasappa and M. Mahadevappa* .. 212

Preliminary Studies on the Performance of *Rabi* Hybrid *Sorghum* Developed in Mysore State—*Madhava Rao, N. B. Kajjari and J. V. Goud* 216

PAGE

A Note on the Evaluation of Maize Crosses Between Arbhavi Local and New Introductions in Mysore State—*R. S. Aradhya, M. Mahadevappa, T. Swamy Rao, A. Ramamurthy, S. J. Patil and N. B. Kajjari* 217

Long Boll Mutant in *Laxmi* Cotton—*B. H. Katarki and K. M. Channakrishnaiah* 220

Effect of Solute Concentration on Germination of Some Oilseeds—*S. K. Gupta and T. A. Singh* 221

***Dolichos lab lab* Pod-Husk as a Cattle Feed: A Study on Its Nutritive Quality**—*B. V. Venkata Rao and K. Ramaswamy* .. 223

Meiotic Studies of *Corchorus pseudoolitorius* Islam and Zaid, a Recently Discovered Wild Jute of Pakistan—*R. M. Datta and S. N. Sen* 225

Reaction of Sesamum Varieties to *Cercospora* Leaf Spot in Madhya Pradesh—*U. S. Kushwaha and P. K. Kaushal* .. 228

Response of Exotic Rice Varieties to Fertilization—*S. S. Meli and R. V. Patil* 231

Book Review: Survival: Man and His Environment—*B. V. Venkata Rao* 234

No. 3

Red Soils of Mysore State: Chemical Properties and Nutrient Status—*H. C. Parvathappa and D. Raj* 237

Influence of Texture and Soil Moisture Regimes on Phosphate Mobility—*T. Satyanarayana, S. C. Shivamurthy and A. S. Hadimani* 247

Chemical and Mineralogical Studies of Associated Black and Red Soils—*T. Satyanarayana and T. D. Biswas* 253

Studies on the Effect of Different Tillage Practices on the Rates of Infiltration of Water into Red Soils—*B. K. Srinivasa Murthy and R. F. Patil* 265

Effect of Seed Hardening on Yield of Ragi (*Eleusine coracana*) at Different Levels of Fertility—*B. G. Rajashekhar, S. Rama Rao, K. S. Krishna Sastry and K. N. Mallanna* .. 271

Utilisation of Heterosis in Cotton Production—*B. H. Katarki, S. A. Patil and S. B. Allayyanavarmath* 278

PAGE

Studies on the Morphology and Biology of the Assasin Bug *Isyndus heros*, Fabricius—Hemiptera—Reduviidae—*G. K. Veeresh and M. Puttarudraiah* 285

Studies on Maize Rust *Puccinia sorghi* Schweinitz in Mysore State. II. Effect of Initial Dark Exposure on Infection and Further Development of Maize Rust—*A. C. Kushalappa and R. K. Hegde* 296

Studies on Loose Smut of Wheat. IV. Pathogenicity of Different Strains of Smut (*Ustilago nuda tritici* Schaf.) in Artificial Inoculation with Different Stages of Floral Development—*R. P. Mishra and A. C. Jain* 301

Studies on the Influence of Fertilizer Application on Yield, Tillering and Grain Formation in IR-8 Paddy—*G. Halappa, M. Sangiah, B. V. Venkata Rao and R. Vijayamma* 306

Study of the Extent of Adoption of Dry Land Ragi Fertilization Practice in Bangalore District—*K. A. Jalihal, H. S. Hanumanthappa and H. N. Byra Reddy* 313

A Study of Adoption of Hybrid Maize in Bangalore District—*V. Veerabhadraiah and R. Dwarakinath* 326

Research Notes

Potentialities of Heterosis Breeding in Brown *Sarson*—*T. Swamy Rao* 337

Effect of Colchicine on Five Varieties of Rice (*Oryza sativa* L.)—*S. Bose and P. D. Sharma* 340

The Heat of Wetting of Soils of Mysore State—*R. V. Ramamohan and N. A. Narayana Rao* 345

Efficacy of Seed Dressing Fungicides in Controlling *Aspergillus* Blight of Groundnut—*S. M. Kumar and M. N. Khare* .. 349

'Spotting' Disease of Banana in Mysore—*K. G. Ranganathaiah and M. Vishakantaiah* 352

Field Screening of Lentil Varieties Against *Fusarium* Wilt—*M. N. Khare and H. C. Sharma* 354

A New Technique for Horn Fracture Setting in Long-Horned Breeds of Cattle—*K. V. Mally, M. T. Rai and R. V. Patil* .. 357

Interspecific Hybridization in Chillies (*Capsicum annuum* × *Capsicum frutescens*)—*J. V. Goud, K. M. D. Nayar and M. G. Rao* 358

PAGE

Effect of Pinching of Fruiting Shoots on the Quality of Bhokri Grapes—*G. S. Sulikeri, H. V. Pattanshetti and S. D. Kololgi* 361

Soaking of Soybean Seed and Its Effect on Nodulation and Yield—*V. Iswaran* 364

Reaction of Soyabean Varieties to Bacterial Leaf Spot Disease Caused by *Xanthomonas phaseoli* var. *sojence*—*M. L. Verma* 366

Book Review: Dictionary for Agricultural Chemistry—*B. V. Venkata Rao* 368

No. 4

Performance of Self-Fed and Limited-Fed Pigs on Pasture and in Confinement—*Y. Gnanoji Rao* 371

Cytological Studies of the Testes in the Indian Water Buffalo (*Bos bubalis*)—*H. M. Nagesha Rao, K. N. Chandra Mouly and K. T. Rao* 378

Serological Studies on Porcine Leptospirosis in Mysore State—*M. Rajasekhar and R. D. Nanjiah* 385

Some Observations on the Pathology of Canine Transmissible Venereal Sarcoma—*H. Subba Rao and Syed Mohiyuddeen* .. 392

A Study on Thromboplastic Activity in Chicken—*S. V. S. Setty, T. R. S. Rangachar and V. R. Hegde* 402

Effect of Superphosphate, Alum and Aquatic Weeds on Turbidity of Water—*V. Muddanna and C. Mallaiah* 409

Studies on the Rhizosphere Microflora of Sorghum as Influenced by Mixed Cropping with other Four Plant Species—*D. Joseph Bagyaraj and K. Chalapathy* 415

Land-Use Pattern in Mysore State: A Statistical Study—*H. Madappa and R. Vijayamma* 424

A Study of the Contribution of Panchayat Agricultural Production Plan in Increasing Food Production in Mysore State with Special Reference to the Extension Teaching Methods Used—*K. A Jalihal, Jade Srinivasamurthy, M. B. Channe Gowda, G. Somashekarappa and R. Dwarakinath* 434

Further Studies on the Effect of Agronomic Practices on the Yield of Dry Land Maize—*K. R. Kulkarni, M. N. Venkataram and D. K. Patil* 443

Barriers to Change as Expressed by Adopters in Relation to High Yielding Varieties—*R. Dwarakinath, M. K. Sethu Rao, J. Srinivasamurthy and C. M. Dudhani* 451

PAGE

Effect of Heavy Doses of Ammonium Sulphate on the Microflora of Soil and the Rhizosphere of Wheat—*D. Joseph Bagyaraj and B. Narayana Bhat* 460

Research Notes

Correlation of Stemnode Height with Pod Yield in Groundnut Varieties—*B. S. Sanjeeviah, K. Krishnamurthy and B. R. Hegde* 466

Seasonal Variations in Quality of Irrigation Waters in the Malnad Area of Mysore—*D. S. Kulkarni and P. A. Sarangamath* .. 468

Lime Requirement of Soils of Mudigere Taluk of Chickmagalur District in Mysore State—*P. A. Sarangamath and D. S. Kulkarni* 471

Fertility Status of the Soils of Malnad Tracts of Mysore. I. Mudigere and Part of Heavy Rainfall Tract of Chickmagalur Taluks—*D. S. Kulkarni, B. G. Suryanarayana Reddy and S. V. Kulkarni* 473

Preliminary Observations on Some Characteristics and Protein of Safflower—*P. A. Sarangamath and P. B. Deshpande* .. 476

A Study of Association in Various Quantitative Characters of Brown *Sarson*—*T. Swamy Rao* 478

Quality of the Fruit in Gulabi and Phakdi Grapes as Influenced by Spur Thickness —*N. C. Hulmani, H. V. Pattanshetti and S. D. Kololgi* 481

Dicephalous Monster in a Goat—*K. Trivikrama Rao and S. Ramakrishna* 484

Influence of Increasing Levels of Exchangeable Sodium on Hydraulic Conductivity in Red and Black Soils of Mysore—*K. Balakrishna Rao and B. V. Venkata Rao* 487

Book Review: Gnana Gangotri, Vol. 1: Manukuladakathe—*B. V. Venkata Rao* 491
